

Continuing to Get Things Done! The Next Chapter

The goal of ARM in its next chapter is impact AT EVERY LEVEL. This means making sure that the impact of ARM continues for years to come. This means making sure that we reach the youngest of our students in Kindergarten all the way to the leaders who serve in our state legislature and everyone in between. Why? Because, when we embrace the goals and objectives of a mission that affects every level – not just students or ourselves, but the greater community – we harness the power to really affect change, garner the support necessary to sustain it, and promote PUBLIC VALUE.

ARM AmeriCorps member service is at the heart of it! Whether you served one, two, or three years, you took advantage of this amazing opportunity, having the courage to grab it with both hands, investing in yourself and others. YOU helped make it possible for students who struggled in reading to improve, excel, place a higher value on reading and learning, and most importantly gain the confidence needed to have a GROWTH MINDSET.

Your community witnessed firsthand how a dedicated cadre of leaders (fellow citizens) committed to service, could make the community better, improve quality of life, and reduce the economic burden that can result from illiteracy.

Completing your AmeriCorps service was no doubt a milestone in your life. Celebrate with us today but please consider helping us keep reaching higher. Committing to a regular monetary sponsorship will help us help others continue serving; continue their education; continue pursuits of becoming a certified teacher or other professional; continue modeling service as a solution to get things done.

On behalf of current and future ARM AmeriCorps members, THANK YOU for your generosity.

3 ways to support development, training, & tutoring facilitation for ARM AmeriCorps members:

1. Select an annual monetary sponsorship level
 ...\$100 ...\$75 ...\$50 ...Other amount
**This sponsorship may not be tax deductible. Check with your tax preparer.*
2. Identify an in-kind service or donation to support program activity
3. Assist ARM in connecting with other ARM AmeriCorps Alum

Use this form and the envelope provided to contribute TODAY or begin your sponsorship within the next 60 days by mailing your check or money order.

Name: _____
