

Parents' Homework

What Parents' Should Do Everyday After School

- Ask your child about his/her homework assignments
- Assist him/her with completing it
- Check homework that your child has completed
- Remove distractions from the designated area established for completing homework
- Call the school for missed work due to an emergency or absence
- Be involved in your child's school and social life
- Teach your child to prepare for the following day by packing back pack before going to bed.
